

# Salamander Child Care Centre Reconciliation Vision Statement

Our vision is to create an environment at Salamander Child Care Centre that fosters equality, recognition, inclusiveness and acceptance. A place to see, hear, and feel reconciliation.

We aim to create a true sense of belonging for Aboriginal and Torres Strait Islander educators, children, families and visitors within our Centre and our community by building respectful, trusting relationships and recognising the contribution of Australia's First Nations peoples.

We strive to continuously increase our knowledge and understanding of Australia's First Nations peoples and histories so that we can naturally and authentically embed Aboriginal and Torres Strait Islander culture, history, and knowledge into our learning environment and experiences.

Empowering our learning community to become leaders in Australia's evolving reconciliation journey.
